

Low Volume Charting

Low-Profile Privacy Clipboards

The Low-Profile Privacy Clipboard ensures privacy and security for short-stay, ER, outpatient and other low-volume medical records. Constructed of durable, easy-to-clean Poly material, the slim covered clipboard provides maximum document security, protection and retention with a low-profile, heavy-duty spring clip that directly and firmly grips the paper, not the clipboard cover.

- Hinged cover conceals top sheets
- Custom imprinting available
- Durable Poly material wipes clean
- Strong gator clip holds records secure

Now available with better grip clips!
